

Visual Impairment Centre for Teaching And Research

Introduction

The following is a list of publications produced by members of the Research Centre for the Visually Handicapped (RCEVH), grouped by theme. The majority were produced / published prior to the year 2000.

Global Development

Butler, F., Tobin, M.J. (1992). All to play for: the role of the physiotherapist in a pre-school playgroup for blind and partially sighted children. *Therapy Weekly*, 2 July 1992, 19, 1, p.4.

Hill, E. (1994). *Assessing the visually impaired: an annotated bibliography of educational, vocational, and psychological tests and procedures*. Second edition. Birmingham: RCEVH Mimeo.

Mason, H., Tobin, M.J. (1986). Speed of information processing and the visually handicapped child. *British Journal of Special Education*, 2, 69-70.

Research Centre for the Education of the Visually Handicapped. RCEVH Abstracts (three issues per year of 24-30 abstracts of current journals/articles).

Ross, S., Tobin, M.J. (1997). Object permanence, reaching, and locomotion in infants who are blind. *Journal of Visual Impairment and Blindness*, January-February, 91, 1, 25-32.

Tobin, M.J. (1972). Conservation of substance in the blind and partially sighted. *British Journal of Educational Psychology*, 42, Part 2, 192-197.

Tobin, M.J. (1977). *Testing the blind and partially sighted: a brief, introductory listing, with references, of tests for the normally sighted that have been used with visually handicapped subjects*. Birmingham: RCEVH Mimeo.

Tobin, M.J. (1979). A longitudinal study of blind and partially sighted children in special schools in England and Wales. *Insight*, 1, 1.

Tobin, M.J. (1980). Pre-school children and their needs of perceptual and cognitive and cognitive training. Paper presented at the European Conference on Low Vision, Prague, 25-27 November.

Tobin, M.J. (1980). Psychological development in blind infants. Paper presented at meeting on the problems of visually handicapped infants, Milan, 22-23 February. Cecita' Infantile.

Tobin, M.J. (1981). An introduction to the psychological and educational assessment of blind and partially sighted children. British Psychological Society, Division of Educational and Child Psychology, Occasional Papers, V, 1, 9-18.

Tobin, M.J. (1983). A survey of arrangements for assessing blind and partially sighted students in public examinations. The New Beacon, LXVIII, 790, 29-31.

Tobin, M.J. (1983). Do blind children need specific perceptual and cognitive training. LBMRC Research Newsletter, 08-03, 5-11.

Tobin, M.J. (1984). Assessing learning aptitude in blind children. British Journal of Visual Impairment, II, 2, 45-47.

Tobin, M.J. (1987). Special and mainstream schooling: some teenagers' views. The New Beacon. 1987, LXXI, 837, 3-6.

Tobin, M.J. (1990). Integrating visually impaired pupils: issues and needs. In: Evans,P., Varma,V. (Eds.) Special education: past, present and future. Hampshire: The Falmer Press, 127-139.

Tobin, M.J. (1991). The assessment of children who are visually handicapped. In: Harding,L., Beech,J.R. (Eds) Educational assessment of the primary school child. Windsor: NFER-NELSON, 114-118+129-130.

Tobin, M.J. (1993). The educational implications of Visual Impairment. In: Fielder,A.R., Best,A.B., Bax,M.C.O. (Eds.), The management of visual impairment in childhood. London: Mac Keith Press, 143-149.

Tobin, M.J. (1994). Assessing visually handicapped people: an introduction to test procedures. London: David Fulton Publishers.

Tobin, M.J. (1994). Coping with blindness in adult life: towards a defining of abilities, needs, and attitudes. A Report for the Guide Dogs for the Blind Association. Birmingham: RCEVH Mimeo.

Tobin, M.J. (1995). Blindness in later life: myths, attitudes and reality. British Journal of Visual Impairment, 13, 2, 69-75.

Tobin, M.J. (1998). Is blindness a handicap? British Journal of Special Education, September, 25, 3, 107-113.

Tobin, M.J., Hill, E. (1988). Visually impaired teenagers: ambitions, attitudes, and interests. Journal of Visual Impairment and Blindness. December, 82, 12, 414-416.

Tobin, M.J., Hill, E. (1989). The present and the future: the concerns of visually impaired teenagers. British Journal of Visual Impairment. Summer, 7, 2, 55-57.

Tobin, M.J., Hill, E. (1990). The ageing process and visual disability: investigating change. *The New Beacon*. November, LXXIV, 881, 381-385.

Tobin, M.J., Hill, E. (1992). Blindness in later life. *The New Beacon*, January, LXXV I, 894, 1-4.

Tobin, M.J., Hill, E.W., Wood, D., Baranyovits, P., Box, J., Finch, V., Knight, C. (1994). Assessing multi-handicapped, visually impaired children: an interim evaluation of an assessment centre, Part 1. *New Beacon*, October, 924, 4-9.

Tobin, M.J., Hill, E.W., Wood, D., Baranyovits, P., Box, J., Finch, V., Knight, C. (1994). Assessing multi-handicapped, visually impaired children: an interim evaluation of an assessment centre, Part 2. *New Beacon*, November, 925, 8-12.

Tobin, M.J., Myers, S.O. (1978). Memory span tests for the deaf/blind. Birmingham: RCEVH Mimeo.

SENSORY DEVELOPMENT

Arter, C.A. (1997). Listening Skills. In: *Visual Impairment: Education for Children and Young People*, H Mason & S McCall, Eds. London, David Fulton Publishers, 143 - 148.

Bozic, N. (1995). Look and Think users in the early nineties. *British Journal of Visual Impairment*, 13, 2, 59-64.

Bozic, N. (1997). Constructing a room: multi-sensory rooms in educational contexts. *European Journal of Special Needs Education*, 12, 1, 54-70.

Lavelle-Hill, D., Arter, C.A. (1999). Teaching Listening Skills through Music *British Journal of Visual Impairment* (in print) London: David Fulton Publishers.

Mason, H.L., Arter, C.A. (1997). The Preparation of Raised Diagrams. In: *Visual Impairment: Access to Education for Children and Young People*, HL Mason & S McCall, Eds. London, David Fulton Publishers, 171 - 178.

Tobin, M.J. (1972). A study in the improvement of visual efficiency in children registered as blind. *The New Beacon*, LVI, 659, 58-60.

Tobin, M.J., Chapman, E.K., Tooze, F.H.G., Moss, S.C. (1979). Look and think: a handbook for teachers; teacher's file. School Council visual perception training project of blind and partially sighted 5-11 year olds. (Chapman, E.K. (1989). Revised.) London: Royal National Institute for the Blind.

Tobin, M.J., Greenhalgh, R. (1987). Normative data for assessing the manual dexterity of visually handicapped adults in vocational rehabilitation. *Journal of Occupational Psychology*, 60, 73-80.

Tobin, M.J., Hunter, B.M. (1974). Assessing the manual dexterity of the visually handicapped. *The New Beacon*, VIII, 169-172.

TECHNOLOGY

Blenkhorn, P. (1986). RCEVH project on micro-computer systems and computer assisted learning. *The British Journal of Visual Impairment*, Autumn, IV, 3, 101-103.

Bozic, N. (1992). Using computer joysticks with visually impaired children: Part 1. *Eye Contact*, Summer, 3, 19-20.

Bozic, N. (1992). Talking grass: a database for visually impaired children. *Visibility*, Spring, 4, p.9.

Bozic, N. (1992). Using joystick software with visually impaired children: Part 2. *Eye Contact*, Autumn, 4, 17-19.

Bozic, N. (1993). Software for tactile reading skills. *Eye Contact*, Summer, 6, 14-15.

Bozic, N. (1993). Text to braille translation programs. *Visibility*, Spring, 7, 20-22.

Bozic, N. (1994). How should computers be used in the visual training of young visually impaired children? Paper presented at Vision 1993 Conference, Groningen, Netherlands. *Technology and Informatics 11, Low Vision: research and new developments in rehabilitation*. Kooijman, A.C., Looijestijn, P.L., Welling, J.A., van der Wildt, G.J. (Eds.). IOS Press, 1994, 334-337.

Bozic, N. (1994). Mathematics, micros and the visually impaired. *Computer Education*, February, 76, 13-15.

Bozic, N. (1995). Using microcomputers in naturalistic language intervention: the trialling of a new approach. *British Journal of Learning Disabilities*, 23, 2, 59-62

Bozic, N., Cooper, L., Etheridge, A., Selby, A. (1995). Micro-computer based joint activities in communication intervention with visually impaired children: a case study. *Child Language Teaching and Therapy*, 11, 1, 91-105.

Bozic, N., Hill, E., Tobin, M.J. (1993). Pre-school visually impaired children: visual stimulation and micro-computers. *Child: Care, Health and Development*, January/February, 19, 1, 25-35.

Bozic, N., Tobin, M.J., Vallender, M. (1991). New developments in visual stimulation. *Visibility*, Autumn, 3, 18-19.

Bozic, N., Vickers, C. (1994). Choice and control: introducing a new operating system to give children with multiple disabilities improved access to software. *Eye Contact*, Summer, 9, 25-27.

Campbell, S.L., Vallender, M.D. (1992). Modern technology: access to print for blind and partially sighted people. *Computer Education*, June, 71, 6-8.

Hawley, A., Jefferys, S., Ross, M., Spencer, S., Tobin, M.J. (1987). Electronic publishing and visually handicapped learners. *The New Beacon*, LXXI, 844, 253-255.

Murnion, S. (1996). Update on World Wide Web access. *Visability*, Summer, 17, p.28.

Research Centre for the Education of the Visually Handicapped (2000). Centre software Catalogue: micro-computers for blind and partially sighted people (Catalogue of Centre software available from RCEVH). Birmingham: RCEVH Mimeo.

Spencer, S. (1990). The role of micro-computers in the education of very young visually handicapped children. *Techniques and devices for the Blind*. Emiliani, P.L. (Ed.). Medical and Health Research Programme of the European Community. May, 137-141. Proceedings of a Workshop held in Florence, Italy, 28-30 November 1988.

Spencer, S., Ross, M. (1988). Visual stimulation using micro-computers. *European Journal of Special Needs Education*, 3, 3, 173-176.

Spencer, S., Ross, M. (1989). Closing the gap. Facilitating integration: micro-computer technology and the visually handicapped learner. *Special Children*, 28, 20-21.

Spencer, S., Ross, M. (1989). Assessing functional vision using micro-computers. *British Journal of Special Education*, 16, 2, Research Supplement, 68-70.

Spencer, S., Ross, M. (1989). Software packages for the young visually handicapped. *Special Children*, 31, 20-21.

Spencer, S., Ross, M., Tobin, M.J., Blenkhorn, P. (1987). Centre computer base for visually handicapped children, students, and adults. *British Journal of Visual Impairment*, V, 2, 67-69.

Tobin, M.J., Hill, E. (1992). Microcomputers in education: their use by blind and partially sighted learners. *Computer Education*, February, 70, 30-31.

Tobin, M.J., Hill, E. (1998). Ataxia Telangiectasia, visual disability, and the role of information and communication technology. *Visability*, Autumn, 24, 35-37.

Vallender, M. (1994). Developing visual training programs on an IBM PC compatible micro-computer. Paper presented at Vision 1993 Conference, Groningen, Netherlands. *Technology and Informatics 11, Low Vision: research and new developments in rehabilitation*. Kooijman, A.C., Looijestijn, P.L., Welling, J.A., van der Wildt, G.J. (Eds.). IOS Press, 331-333.

Vallender, M., Bozic, N. (1991). Animation on the EGA/VGA graphics cards. *Computing "Notes"*, 5 December, 40-42.

COMMUNICATION

Arter, C.A., Harley, R.K., Truan, M.B., Sanford, L.D. (1997). Communication Skills for Visually Impaired Learners. Springfield Illinois USA Review in *British Journal of Visual Impairment*, Vol.16, No.2, May 1998.

Bozic, N. (1993). Expressive communication. *Special Children*, October, 69, 30-33.

Dorn, L. (1993). The mother/blind infant relationship: a research programme. *British Journal of Visual Impairment*, March, 11, 1, 13-16.

Lorimer, J. (1981). The limitations of braille as a medium for communication and the possibility of improving reading standards. *British Psychological Society, Division of Educational and Child Psychology, Occasional Papers*. V, 1, 63-72.

Norris, N. (1972). Aims and methods in the teaching of English to the visually handicapped. Birmingham: RCEVH Mimeo.

Tobin, M.J. (1972). Summary of a report on factors underlying the ability to learn braille in former readers of ink-print. Birmingham: RCEVH Mimeo.

Tobin, M.J. (1972). The vocabulary of the young blind schoolchild. Association for the Education and Welfare of the Visually Handicapped (VIEW).

Tobin, M.J. (1992). The language of blind children: communication, words, and meanings. *Language and Education: An International Journal*, 6:2,3,4, 177-182.

LITERACY

Arter, C.A. (1997). English. In: *Visual Impairment: Education for Children and Young People*, H Mason & S McCall, Eds. London, David Fulton Publishers, 207 - 217

Arter, C.A. (1998). Braille Dyslexia - Does it Exist? *British Journal of Visual Impairment*, 16, 2, May.

Arter, C.A. (1998). Braille Dyslexia - Does it Exist? *Visability*, 13, 11-18.

Arter, C.A., Mason, H.L. (1994). Spelling for the Visually Impaired Child, *British Journal of Visual Impairment*, 12, 18 - 21.

Greaney, J. (1994). Measuring children's reading skills: comparing braille readers with their fully sighted peers. *Visability*, 12, 13-14.

Hartley, J., Tobin, M.J., Trueman, M. (1987). The effects of providing headings in braille text. *Journal of Visual Impairment and Blindness*, May, 81, 5, 213-214.

Hill, E.W., Hill, J.F., Tobin, M.J. (1999). Braille: oral and silent reading speeds. *New Beacon*, November, 980, 4-6.

Lorimer, J., Tobin, M.J. (1979). Experiments with modified Grade 2 braille codes to determine their effect on reading speed. *Journal of Visual Impairment and Blindness*, 73, 8, 324-328.

Lorimer, J., Tobin, M.J. (1980). Modified braille codes: reading rates and space-saving. *The New Beacon*, LXIV, 763, 281-284.

Lorimer, J., Tobin, M.J., Douce, J., Gill, J. (1982). A study of braille contractions. London: Royal National Institute for the Blind.

Mason, H.L. (1998). Guidelines for teachers and parents of young people with a visual impairment using low vision aids. Birmingham : University of Birmingham , School of Education (Mimeo).

Mason, H.L., Mason, B.F. (1998). The use of low vision aids in mainstream schools by pupils with a visual impairment. Report to the Viscount Nuffield Auxiliary Fund, February 1998. Birmingham : University of Birmingham , School of Education (Mimeo).

Research Centre for the Education of the Visually Handicapped (1993). Information list of large print publishers. Birmingham: RCEVH Mimeo.
